TEAM REGISTRATION INFORMATION GUIDE

Coach:

Presently the only age division we offer league play is Adult. Generally the minimum age to play in the Adult League is 17 (a parents written permission/signed waiver) must be provided. A younger age may be accepted with league approval.

The enclosed team registration packet includes the following items:

Team Registration Information Guide' (this cover letter)
Team Registration Form
Team Roster Form
Hockey Waiver & Acknowledgment (make duplicate copies for each player)
'General League Rules' / 'Facility Rules and Conduct'

Rosters may not exceed 15 players and rosters are frozen prior to the drop of the puck on the third game. During the regular season, if your goalie is unable to attend your game another goalie currently playing in the league may substitute or you may suit up a player from your team. During the playoffs only a rostered goalie/player on your team may play goalie. Generally there are no coach's in the adult division (besides player/coach). If one is wanted by team, that coach must be over age 21, on the team roster and have a waiver on file.

League supplied Game jerseys will be given out by your first game. Choice of style, numbering or color is not possible. You may however, supply your own jerseys. All jerseys must have 'large' numbers on the back for identification purposes. Players must keep the same number throughout the season. No duplicate numbers.

To fully register your team you must submit a fully completed 'Team Registration Form', 'Team Roster Form', 'Hockey Waiver & Acknowledgment' Forms for each player on the roster and the **Team Registration Fee of \$2,500**. There are Waivers for each player to read & sign. Full payment must accompany the completed forms. Payment may be made by cash or check. Checks must be made out to **PREMIER ROLLER HOCKEY at HOT SKATES**. Registration is on a first come first serve basis. Space is limited.

The enclosed 'Facility Rules & Conduct' / 'General League Rules' sheets briefly highlight rink/league policies and acceptable conduct. Please give each rostered player a copy (make copies) of these sheets so they are aware of these rules. The league bases it's rules according to the 'Official Rules of Premier Roller Hockey at Hot Skates'. These rules are posted conspicuously in the league office and given to each coach upon registration. We made every effort to address both the 'common' and 'not so common' issues that may arise during hockey activities. If unaddressed issues emerge we will make every effort to address those situations in a 'fair' manner.

We are looking forward to a successful season. GOOD LUCK!

We expect the schedule to be posted on Wednesday evening December 6st and the season to begin on Monday December 11th. ***If teams are providing their own jerseys each player must have their own unique number (not zero or blank) and the same color. Otherwise team must use Hot Skates provided jerseys.***

PARTIAL TEAM REGISTRATION

If you cannot commit to a team registration and the financial commitments required, then your option is sign-up as a group of individuals who are requesting to be on the same team. Each player would be considered an individual registrant and the deadline for that registration is FRIDAY NOVEMBER 24TH 2017. INDIVIDUAL REGISTRATION FEE IS \$230. We will honor your request as best we can to be placed together.

In this scenario any grouping of individuals will be subject to the league forming the team around that core group. The league will have control of how many players on the roster, what division and at the league discretion will honor (or not honor) and scheduling requests by the 'group'. Unless guaranteed by the management upon registration, any request of schedule preferences should be assumed not to be honored, with the hopes of the accommodation.

GENERAL LEAGUE RULES

*LEAGUE RULES ARE BASED ON THE PRINTED
"RULES OF
PREMIER ROLLER HOCKEY at HOT SKATES"*

League Intent: The object of the league is to provide a competitive, recreational, non-checking roller (in-line) hockey program.

Scheduling: Activities will be rescheduled or delayed (at league's discretion) only if the facility/league is unable to host them. Team/Individual requests for game rescheduling can not be honored one schedule is created. The league reserves the right to reschedule any games and/or playoff games on any day or time slot it chooses.

Game Length: Game consists of two 24 minute periods (unless otherwise indicated) separated by a short break. Game clock is continuously run and is only 'stopped' for major injury incidents and at the referees discretion. If any game is within 1 goal within the last 2-minutes of the second period, the clock will be stopped during stoppage of play. One 60 second time out per team during regulation time. During regular season games, a tie after regulation will result in a 5-minute overtime period.

Forfeits: Games play five on five (plus fully equipped goalie) and will forfeit the game if they have less than five players 'suited up' at scheduled game time. A five minute 'grace' period will be permitted.

Warm-Ups: Under normal circumstances a five minute warm-up period will be allotted on the rink surface prior to the start of the game. To help prevent injuries, participants should stretch on the off rink area prior to entering the rink surface and not rely on possible warm-up periods.

Team Roster: No more than 15 players may be on a team's roster. Only rostered players are eligible to play. Rosters are frozen upon the start of the teams' third game unless league provisions are made to the contrary. You must play a minimum of 3 regular season games to play in the playoffs. Only a roster goalie (not subject to 3 game minimum) from your team may play in playoffs.

Equipment: Participants must wear the following **MANDATORY** safety equipment at all times: Regulation Hockey Gloves (palms & fingers not exposed) / Helmet with Full Face Guards (no half shields or any Mylec helmets) / Internal Mouth Guard (piece) / Elbow Pads / Shoulder Pads / Knee/Shin protection and Athletic Cup (males). Protective Hip/Girdle pads and Hockey Pants are **strongly recommended**. Goalies must wear full equipment. Only HECC certified equipment will be permitted. All protective equipment must be in use during game play and practices.

Skates: In-line and traditional Quad roller skates are permitted. All Skates must be rink-safe, meaning that their use at the rink must not gash, indent or blemish the skating surface or any other surface in the building. (No marking brakes and axle bolt system must be flush to frame) All players, including goalies must be wearing skates. Soft composition wheels are recommended for a firm grip.

Referees: There will be at least one referee per game. In most instances, especially during adult games there will be two referees. They will make every effort to fairly enforce the rules of the game. The game rules are designed for the safety of all players, fair play and sportsmanship. The referee must always discourage actions contrary to the spirit of the game and forcefully penalize any deliberate act of aggression. Refereeing is a thankless job, please be respectful to their position and the burden of their work.

Penalties: Minor Penalties result in a 2 minute stay in the penalty box. Major Penalties result in a 5 minute stay in the penalty box. Gross Misconduct results in ejection, game suspension and possible expulsion.

Conduct: Any person who is on the Hot Skates premises must abide by certain common sense rules of safety and conduct. It is our objective to provide the safest possible venue for hockey activities. In order to do that everyone must act in a responsible manner and not put themselves or others in a potentially dangerous situation. Please refer to the '**Facility Rules & Conduct**' information on the other side of this page.
