

SUMMER 2017

MAKE YOUR CHILD'S BIRTHDAY A MEMORABLE OCCASION AT...

# HOT SKATES

For fun, organization and convenience, you can't beat a Hot Skates party package. Parties are for a minimum of 10 children and all children whether skating or not, are paid for at the party rate. Party hosts must provide the cake and goodie bags.

# BIRTHDAY PARTIES

ALL PARTIES ARE \$19.00 PER PERSON

In order to accommodate certain Religious dietary laws we permit party planners to bring in their own food or just serve cake. Discuss with an office person what accommodations can be made for your party. The pricing shown on this sheet reflects a price reduction when compared to a party that includes our food.

When booking a party please indicate to an office person that you cannot use the food provided with our regular party package so we can discuss your options. You are permitted to bring in Kosher Pizza, but you must discuss the particulars with us. The package outlined on this sheet is identical to our regular party package except it does not include a choice of a pizza or Hot Dog.
